Review From Frost Illustrated Magazine

“Jewel with Love” of Parliament Records makes the charts of a recent edition of Frost Illustrated. Their latest CD entitles “Jesus is Everything to Me” is a collection of traditional and contemporary gospel, praise and worship and rap.

The psalmist said “Make a joyful noise unto the Lord, all ye land. Serve the Lord with gladness: come before his presence with singing.” Such is their rendition of “Jammin' with Jesus” which made number 3 on the gospel music charts in a recent edition of Frost Illustrated. This song is joyous, and it beckons for audience participation by calling all to praise the Lord. The call is to clap your hands, pat your feet, and get up out of your seat with a melodious beat. The rap segment of the song certainly is an appeal to the younger generation.

This group which is based in Southern California has collectively shared stages with many artists and celebrities: Lee Williams and the Spiritual QC's, The Mighty Clouds of Joy, The Williams Brothers, The Caravans, Barry Manilow, Bobby Womack, Paul Mooney to name a few. They have enjoyed touring in the United States, and they spent 2 ½ months in Europe singing the gospel.

Look for more music in the future from this leading upcoming group.
